Sir:

Applicants filed with the PTO an Amendment and Supplemental Information Disclosure Statement (IDS) dated August 24, 2004 in the above-identified patent application. However, applicants committed an inadvertent error by listing a foreign patent document, namely, EP 0766811 B1 on the Supplemental IDS Form (1449A/PTO). In fact, a copy of this foreign patent document was not enclosed with the Amendment and Supplemental IDS, which is otherwise required.

Serial No. 10/802,604

It is respectfully requested that the listing of EP 0766811 B1 foreign patent document be removed from the Supplemental IDS Form, and from the prosecution file. For the Examiner's convenience, a substitute Supplemental IDS Form, with such foreign patent document listing omitted, is enclosed herewith.

Respectfully,

By
